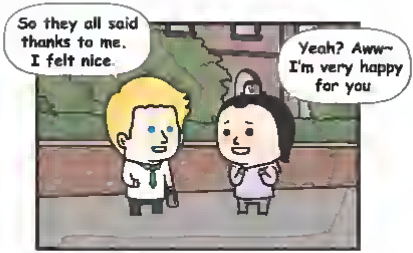
Penguin Loves Mev

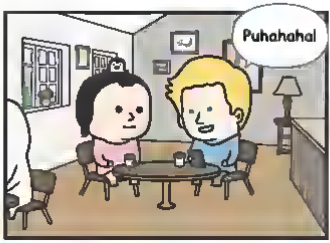
In the UK

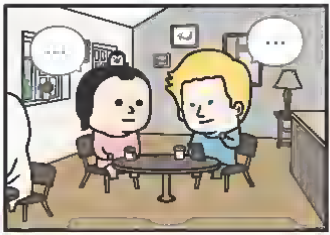
Am I only the bad one?

I often think that there is something weird between a married couple.

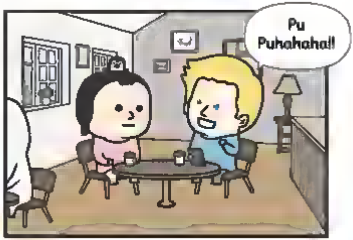


Without a reason, my husband's happiness becomes my happiness too.

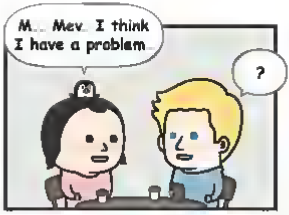




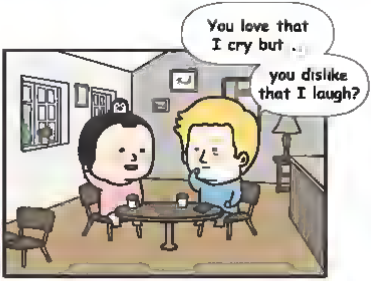
...
...



Pu
Puhahaha!!

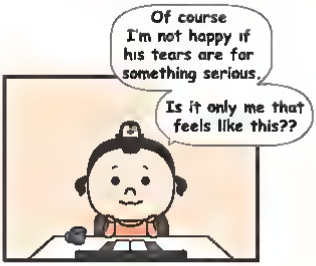


But sometimes...



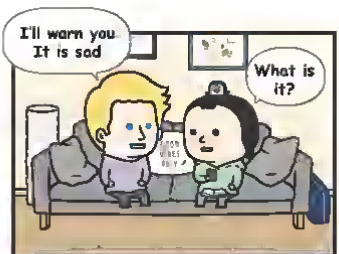
I get this strange emotion
at unexpected moments.

Why is it?
Why do I sometimes like his tears more than his joy?

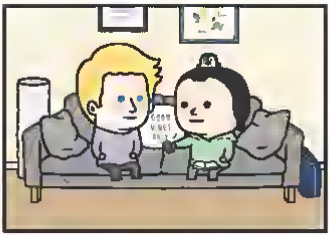


Of course I'm not happy if his tears are for something serious.
Is it only me that feels like this??

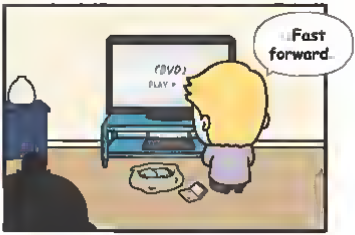
And then one day,
I found an answer to the questian.



Look~
Umm... ah...
Um? Isn't it sad? I thought you would cry.
Oh well... It's not that sad.

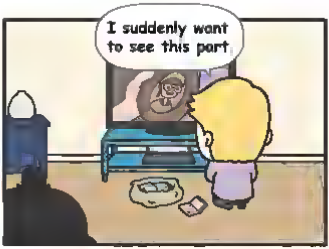


After a while.

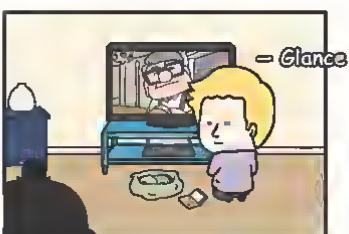


This sound is. .

A scene from UP, an animation that
Carl & Ellie
I always cry at every time I see it



A couple...



Yes. We're a real couple!!!
